SCARBOROUGH TOWN CENTRE CELEBRATES GRAND REVEAL IN NOVEMBER

NEW RETAIL MIX AND ENHANCED SHOPPING EXPERIENCE

TORONTO: Ready for its grand unveiling **mid-November**, Scarborough Town Centre (STC) will soon join the ranks of some of the most impressive, eco-friendly shopping centres in the country. After two years of intensive renovation work, shoppers can finally take pleasure in STC's \$62-million revitalization.

A special treat for STC shoppers this fall are one of Ontario's first locations of **Jack & Jones** and **ONLY**, retailers of Europe's most sought after men's and women's denim and contemporary fashion. Visitors can also enjoy shopping at other exciting new retailers including **PINK by Victoria's Secret**, **fiveoseven clothing** and **Hot Topic**.

To add to the mix, food lovers can savour international flavours at newly launched fast food outlets, **Tandori**, **Shanghai 360** and **Crêpe de licious**.

With today's consumers looking for an enhanced shopping experience, STC's fresh facelift livens and brightens up the two-story shopping centre. Increasing the Centre's aesthetic through better lighting, improved amenities such as comfortable custom-designed furnishings, plantings and revamped restrooms, shoppers will enjoy the new inviting atmosphere.
