THIS FALL

CAMOUFLAGE, DENIM, GRAPHIC PRINTS, BOHEMIAN and CHECKS are prominent and on display this fall season and STC retailers such as GAP KIDS, H&M, JACK & JONES, HOT TOPIC, GUESS and THE CHILDREN'S PLACE are all getting it right. Bohemian looks including FRINGE, LEATHER, FEATHERS and LAYERS are extremely popular additions, as are VIBRANT, NEON GRAPHIC PRINTS on everything from t-shirts to laptop covers. CLASSIC DENIM, the longtime unofficial uniform for youth is updated this year with TIE-DYE JEANS and FAUX-FUR ACCENTS. For those more interested in prints, PLAID and CAMOUFLAGE are still hot and in demand.
